## OUR DIFFERENCE

Caloundra Community Centre is the only organisation in Caloundra that offers such a broad range of services. Our contribution to social infrastructure at the southern end of the Sunshine Coast is significant.

Moreover, while most regionally funded support services set up base in Maroochydore or Nambour, the Caloundra Community Centre remains the only **hub** for outreach services in Caloundra. If it wasn't for this service hub established at Caloundra Community Centre people would be forced to travel to Maroochydore to access such supports.
